Har,

There's some stuff kicking-up in Dimoch, PA re: a company called "Cabot Company". Apparently we are looking into some wells there that we have identified by property owners' names but we need to get actual well (geographic) locations. Rich Fetzer, Rich Rupert & Ann DiDonato are the OSCs working on this; Humane is the ORC attorney on it. Ex. 7(e)  
Ex. 7(e) There is a site-specific account number already established that we can charge to for time spent on this. You can get the number from one of the OSCs, or maybe Humane has it. Please talk to Humane and let me know if this is something you might be able to handle in the next week (it's fairly "HOT"). Thanks.  
JM
